RE: SAVE/No Place for Hate Club

Dear Parents/Guardians:

At Marsteller Middle School, we strive to offer activities and groups to support our students' overall well-being. This year we are offering students the opportunity to participate in the combined Students Against Violence Everywhere (SAVE) and No Place for Hate (NPFH) Club. This is a student-led leadership opportunity focused on creating a safe, inclusive, and positive school environment where everyone can learn and thrive. This exciting club empowers students to take action and make a difference in their school community. Through fun and meaningful activities, students will work together to improve the school climate and address important issues like bullying, social isolation, and inclusiveness.
