

Marsteller Middle School
Recommended Supply List
2026-27

All students need a plan to maintain the organization of 7 different classes, while keeping backpacks as light as possible.

All Grade Levels General Supply List:

Multi-subject notebook (*see below)
Pocket folders (to maintain handouts/worksheets)
Pencils
Colored pencils
Loose-leaf paper
2 Composition notebooks
Agenda/planner/homework organizer
Please note: Accordion folders will be provided for all 6th grade students!

Families should plan for their student to carry a backpack each day with the following items:

- Student iPad provided by the school (12"x8")
- Pocket folders/notebook
- A few pencils
- Agenda/planner/homework organizer
- Lunch – if student chooses to bring their own

It will not be necessary to carry all school supplies every day. Teachers will notify students if they need specialized items. Please help us minimize the weight of backpacks by only carrying items which are absolutely necessary! Every student is assigned a hall locker, but students choose not to use them due to the need to carry their iPads in backpacks throughout the day.

*Please note, we discourage 3-ring binders, multiple spiral notebooks, and backpacks with metal bars in an effort to minimize security screener notifications. Rolling backpacks are not permitted without a health plan on file.
